january theme

I am a spirit child of Heavenly Father.

(Psalm 82:6)

talk one

I lived with Heavenly Father before
I came to earth.

Before I came to earth,
I lived with God above.
I was His spirit child,
Surrounded by His love.

He knew me like He knows me now
And took good care of me,
Teaching me about His plan,
And living happily.

I loved my home in heaven.
Someday I'll go back.
Keeping this great truth in mind
Helps me stay on track.

He knew me like He knows me now
And took good care of me,
Teaching me about His plan,
And living happily.

I loved my home in heaven.
Someday I'll go back.
Keeping this great truth in mind
Helps me stay on track.

talk two

The family is ordained of God and is
central to His plan.

Families are ordained of God.
That means He created them
To help us learn and grow
And make it back to Him.

Without our earthly families,
We'd be all alone,
And it would be so hard
To make it on our own.

I'm grateful for a family
Who loves the Lord with all their heart.
I want to be with them forever.
I'll make sure to do my part.

Families are ordained of God.
That means He created them
To help us learn and grow
And make it back to Him.

Without our earthly families,
We'd be all alone,
And it would be so hard
To make it on our own.

I'm grateful for a family
Who loves the Lord with all their heart.
I want to be with them forever.
I'll make sure to do my part.

February theme

I came to earth as part of a family.

("Proclamation," paragraph 7)

talk one

Adam and Eve were the first family.

Father Adam and Mother Eve
Were the earth's first family.
They were married in the Garden
For all eternity.

They ate of the forbidden fruit,
So God had to cast them out.
And that is when they learned
What life is all about.

They had many children
And fulfilled their sacred roles
By living the commandments
And giving life to many souls.

Father Adam and Mother Eve
Were the earth's first family.
They were married in the Garden
For all eternity.

They ate of the forbidden fruit,
So God had to cast them out.
And that is when they learned
What life is all about.
